RE: _____

This legislative return relates to a matter outstanding from discussion related to: Bill No.210, First Appropriation Act 2019-2020m, debate on vote 51, department of Community Services.

Ms. Van Bibber: “Those are a lot of projects that aren’t listed. There’s \$1.854 million under Community Recreation/Active Living. There’s another \$3.755 million under Sport. Is it possible for us to get a breakdown of where all the money is going? Because we cannot see it in the budget. It’s just a block of big numbers — if that is doable, please.”

Hon. Mr. Streicker: “I will give an answer right now, but I will also be happy to share information across because I am going to throw out a lot of numbers right away. I will do it to respond, but then I’m happy to get it back across as well.”
