MINISTERIAL STATEMENT

Hon. Mr. Edzerza, Minister of Environment

- Porcupine Caribou Harvest Management Plan

SPEAKER'S RULING (Re: Standing Order 19(g) and Question Period March 30, 2010)

Prior to proceeding to Question Period the Chair ruled on a Point of Order raised on March 30, 2010 by the Leader of the Official Opposition.

"Yesterday during Question Period the Member for Porter Creek South questioned the Minister of Environment regarding the protection of McIntyre Creek.

In his response the Minister of Environment said he had 'respect for all people involved' in this process and suggested that the Member for Porter Creek South did not. He then said of the Member for Porter Creek South 'I'm getting every indication that he would be very likely to ignore all other governments and do just as one pleases.'

The Leader of the Official Opposition then rose on a Point of Order, citing Standing Order 19(g), and said the Minister had impugned the motives of Opposition Members and 'what Members on this side of the House would do were we to be in government.'

The Chair does not believe the Minister of Environment violated Standing Order 19(g) because his comments amounted to speculation as to what the Member for Porter Creek South might do at some unspecified point in the future, rather than impugning his motive for taking a certain action.

That being said, the Chair does find that the comments by the Minister of Environment tended to personalize the proceedings in Question Period. This is something the Chair has ruled out of order in the past. The Chair would take this opportunity to reiterate the need to avoid personalizing our proceedings.

The comment by the Minister of Environment was not an isolated one. The Chair has noticed an unwelcome trend since the House reconvened last Thursday. Members are taking the liberty to comment on the positions held, or allegedly held, by other Members. They are also freely speculating about what other Members might do at some point in the future. Whenever Members do this their characterizations of other Members are not flattering.

The Chair would caution Members against continuing in this vein. We are early in this sitting and there is ample time to reverse this trend.

The Chair will conclude this ruling by reminding Members of the meeting the Chair had with the three party leaders on November 26, 2008. The following day the Chair gave a statement to this House with regard to that meeting. At that time the Chair said:

'the leaders informed the Chair that they had reached a consensus that they, and all members of their respective caucuses, will rededicate themselves to their commitment to raise the level of order and decorum in this House. It is a fundamental principle of parliamentary debate that Members should treat each other as honourable at all times. The Chair appreciates that this is not always easy for Members. They are committed to improving the lives of Yukoners. They are also committed to the positions they hold on the important issues that face the territory. Often these positions are in conflict, which can lead to unparliamentary behaviour as Members passionately and enthusiastically debate the bills and motions before them. However, the passion and enthusiasm Members have for their own views cannot justify treating other Members, who hold differing views, with disrespect.'

I would ask all Members to keep this in mind as we proceed with the business of this Assembly. We will now proceed with Question Period."

OPPOSITION PRIVATE MEMBERS' BUSINESS

Moved by Mr. Elias, Member for Vuntut Gwitchin:

SPEAKER'S RULING (Re: Comments made on April 26, 2010)

Prior to proceeding with Question Period, the Speaker gave the following ruling pertaining to a Point of Order that was raised during Question Period on April 26, 2010, by Mr. McRobb, Member for Kluane.

"During Question Period on Monday, April 26, the Minister of Justice responded to a question from the Member for Vuntut Gwitchin regarding Bill #82, Civil Forfeiture Act. During the course of her response, the Minister said, 'I think we're using this again as a political tool.' The Member for Kluane then rose on a Point of Order, saying, 'For the Minister to suggest we're using this issue as a political tool is clearly contrary to our Standing Orders. I would ask you to suggest the Minister should withdraw that remark.'

After reviewing the Blues, the Chair does not believe the Minister of Justice violated the Standing Orders. This might have been the case had the Minister phrased her remarks as an accusation against the Member for Vuntut Gwitchin or any other Member. In her use of the collective term 'we,' the Minister of Justice may have been referring to the proceedings of the House as a whole. In any case, the Minister's words were not phrased as an accusation against an individual Member.

There is, therefore, no point of order. We will now proceed to Question Period."

The Clerk reported on Petition #12 as follows:

“Mr. Speaker and Honourable Members of the Assembly:

I have had the honour to review a petition, being Petition #12 of the First Session of the 32nd Legislative Assembly, as presented by the Member for Mount Lorne on May 6, 2010.

The petition presented by the Member for Mount Lorne appears in two versions. The first meets the requirements as to form of the Standing Orders of the Yukon Legislative Assembly.

The second version of the petition does not meet the requirements as to form outlined in the Standing Orders and the Model Petition appended to the Standing Orders because the request for action is not directed at the Legislative Assembly.

Therefore, it is found that the first version of the petition meets the requirements as to form of the Standing Orders of the Yukon Legislative Assembly and this is the version of the petition to which the Government should respond. The other version of the petition will be returned to the Member for Mount Lorne.

Floyd W. McCormick, Clerk

OPPOSITION PRIVATE MEMBERS' BUSINESS

Moved by Mr. Cardiff, Member for Mount Lorne:

THAT this House urges the Yukon Government to protect the principles of democracy and accountability by:

- (1) ensuring that citizens have a right to organize referenda on issues of concern, as was intended in the *Municipal Act*; and
- (2) bringing forward amendments to the *Municipal Act* and to the *Ombudsman Act* to allow the Ombudsman to hear citizens' appeals when they feel they have been treated unfairly by a municipal government. **(Motion #1092)**

A debate arising on the motion, it was moved by the Hon. Mr. Lang, Minister of Community Services, in amendment thereto:

THAT Motion #1092 be amended by deleting:

- (1) the colon after the word "by".
- (2) the number "(1)" where it appears,
- (3) the words "was intended in" and substituting for them the words "set out in sections 150 to 159 of"; and
- (4) all the words after the word "Act" where it first appears in the motion.

Speaker's Ruling (Re: Amendment moved by the Hon. Mr. Lang)

"As I shared with the honourable Member, section 578(2) [of the 6th edition of Beauchesne's Parliamentary Rules and Forms] says:

an amendment that would produce the same result if the original motion were simply negated, [is out of order' and] that appears to the

Chair to be exactly what your amendment is proposing. The amendment would produce the same result as if the original motion were simply negated; therefore, the amendment to that motion is out of order.

The honourable Member still has the floor, still has unlimited time. The remedy is to simply defeat the motion or to move a different amendment.”

The debate continuing on Motion #1092, and the question being put, it was negated on the following recorded Division:
