CHAPTER 1

PROCEDURES OF THE ASSEMBLY

Time of Sittings

- (2) On each sitting day, at the normal hour of adjournment, the Speaker shall adjourn the Assembly without question put, and the Assembly then stands adjourned until the next sitting day unless otherwise ordered.
- (3) When the Assembly rises on Thursday, it shall stand adjourned until the following Monday unless otherwise ordered.
- (4) At the normal hour of adjournment the Chair, if the Assembly at that hour is in Committee of the Whole, shall rise and report to the Assembly on the proceedings of Committee of the Whole.

Such motion shall specify the business to be dealt with and may be moved either with the Speaker in the Chair or while the Assembly is in Committee of the Whole.

Quorum

- 3(1) Pursuant to section 15 of the *Yukon Act* a majority of the members of the Legislative Assembly, including the Speaker, is necessary to constitute a meeting of the Assembly for the exercise of its powers, but if there is not a quorum, the Speaker shall take the Chair and adjourn the Assembly until the next sitting day.
- (2) If, at any time during a sitting of the Assembly, the Speaker's attention is drawn to the fact that there does not appear to be a quorum, the Speaker shall cause the bells to ring for four minutes and then do a count. If there is still not a quorum, the Speaker shall adjourn the Assembly until the next sitting day.
- (3) Eight members, including the Chair, shall constitute a quorum in Committee of the Whole.
- (4) While in Committee of the Whole, if the Chair's attention is drawn to an apparent lack of a quorum, the Chair shall ring the bells for four minutes and then do a count. If there is still not a quorum, the Chair shall report the matter to the Speaker, who shall repeat the procedure. If, on the Speaker's count, a quorum is present, the Assembly shall resolve itself into Committee; otherwise, the Speaker shall adjourn the Assembly until the next sitting day.

- (5) If the Speaker or the Chair believes a quorum to have been established before four minutes have elapsed, the bells shall be stopped and a count done.
- (6) Whenever the Speaker adjourns the Assembly for want of a quorum, the time of the adjournment and the names of the members then present shall be entered in the Votes and Proceedings.

- (2) The Premier shall advise the Speaker under this Standing Order in sufficient time to allow the Speaker opportunity to give a minimum of two weeks notice of the date on which the House shall meet.
- (3) If the Premier advises that the House should meet due to a matter of urgent and pressing necessity without two weeks notice being provided, and the Speaker is satisfied that at least one of the other Leaders in the Assembly is in agreement as to the date of reconvening, the Speaker shall cause the House to meet with less than two weeks notice.

Business when Session of Assembly Opens or is Reconvened

- 74 When a Session of the Assembly has opened or been reconvened, the Government shall introduce all legislation, including Appropriation Bills, to be dealt with during that Sitting by the fifth sitting day.

Length of Sittings of the Assembly

- 75(1) There shall be a maximum of 60 sitting days per calendar year.
- (2) When the Government has introduced all legislation, including appropriation bills, to be dealt with during a Sitting, the House Leaders shall meet for the purpose of achieving agreement upon the number of sitting days for that Sitting. - (5) The Government House Leader, with notice, may move a motion to sit beyond the agreed upon number of sitting days in the Spring Sitting or the Fall Sitting. Such motion, which is subject to debate and amendment, shall specify the business to be dealt with during any additional sitting days.
- (6) Sitting days added pursuant to Standing Order 75(5) shall be in addition to the maximum number of sitting days stipulated in Standing Order 75(1).
- (7) The Standing Orders in this Chapter do not apply to Special Sitzings of the Assembly that are called in addition to Spring and Fall Sitzings.
- (8) The maximum number of sitting days per calendar year or per Sitting may be adjusted in any year in which a general election takes place. In the absence of an agreement between House Leaders, the maximum number of sitting days for any Sitting which takes place following a general election shall be 30 sitting days.

- (10) The Spring Sitting shall commence the first week of March and the Fall Sitting shall commence the first week of October.
- (11) The start date for a Spring or Fall Sitting may be adjusted in any year in which a general election takes place or if the Premier decides extraordinary circumstances require that the established start date for a Sitting be changed.

ADDENDA

YUKON LEGISLATIVE ASSEMBLY
GUIDELINES FOR ORAL QUESTION PERIOD

General Statement

A question seeking information about a matter which falls within the administrative responsibility of the Government of Yukon is in order. An answer which provides information sought through a question is in order.

Specific Rules

1. A question ought to address a matter of public importance.
2. A question ought to seek information and cannot be based on a hypothesis or seek an opinion, legal or otherwise. It must not suggest its own answer or be argumentative.
3. A question asking for a specific statement of government policy is in order. A question which seeks an opinion about government policy is out of order. A question which asks the Premier if a statement made outside the House by a Minister conforms with government policy is in order.
4. A question must relate to a matter within the administrative responsibility of the Government of Yukon. A Minister to whom a question is directed is responsible only for his or her present portfolio.
5. A question may not ask for a legal interpretation of a statute.
6. Each member asking a question which is in order shall be allowed two supplementary questions.
7. A brief preamble will be allowed in the case of the main question and a one-sentence preamble will be allowed in the case of each supplementary question.¹ A repeat of a question that a Minister did not hear does not constitute a supplementary.
8. A question must adhere to the proprieties of the House in that it must not contain inferences, impute motives or cast aspersions upon persons within the House or out of it.
9. A reply to a question should be as brief as possible, relevant to the question asked, and should not provoke debate.
10. A Minister may decline to answer a question without stating the reason for his or her refusal. Insistence on an answer is out of order. A refusal to answer cannot be raised as the basis of a question of privilege.

¹ Over the years a practice has developed whereby Speakers will allow questions up to approximately one minute in length, and responses of approximately one and one-half minutes. Speakers reserve the discretion to depart from this practice from time to time should the circumstances warrant.

11. A question is out of order if it deals with a matter that is before a court. In civil matters, however, this restriction will not apply unless and until the matter is at trial.
12. A question is out of order if it seeks information about matters which are in their nature secret such as the proceedings of Cabinet. It is, however, in order to ask if a certain matter has been considered by Cabinet.
13. A question is out of order if it seeks information from the Chair of a Committee about proceedings in a Committee which has not yet made its report to the House but is in order if it asks only if the Committee has considered a certain matter, when the Committee will next meet, or when a Committee report will be tabled in the House.
14. A question addressed to the Speaker is out of order.
15. In all cases not provided for within these guidelines, the usages and customs of the House of Commons of Canada, as in force at the time, shall be followed.

3. Electronic devices must be configured to be used in silent mode.
4. Electronic devices may not be used as a phone in the Chamber.
